

FREE LOCAL DELIVERY or CURBSIDE PICK-UP

To all our Valued Customers,

The past weeks have been filled with uncertainty as the world deals with the COVID-19 virus. It has definitely changed our current way of life and like the rest of society, we must adapt by not only recognizing the severity of the situation, but also in finding ways to live and work smarter while offering help to those that want and need it.

VICTORIA POOL SERVICE & SUPPLY IS OPEN. We understand your needs and take comfort in knowing we promote a healthy activity that is beneficial to the well-being of our customers. While we are uncertain about the future, there is a real possibility that people may be asked to forego travel and stay at home. The term “Staycations” is popping up on a regular basis, and with good reason. Enjoying your pool and/or spa is a great way to reduce stress and promote well-being, especially if we have a forced, extended stay at home.

The **Centers for Disease Control and Prevention** states that there is no evidence that COVID-19 can be spread to humans through the use of properly maintained pools or hot tubs. That’s good news.

Victoria Pool Service & Supply will continue to offer products and services (including weekly pool service and repairs) for as long as we can do so safely. In an effort to flatten the curve, we must all continue to adhere to Government mandates. Our staff will be practicing *Social Distancing*. We won’t shake your hand; we promise it’s not you, but just an attempt to keep everyone as safe as possible. We want our customers to have peace of mind and still be able to enjoy their backyards.

Victoria Pool Service & Supply is offering some additional services as follows:

- **FREE LOCAL DELIVERY** – (Within a 10 mile radius of Victoria and with a \$40 minimum) Give us a call or text at 361-575-5821 for any product you need. You can give us instructions on how and where you want your delivery. (For those outside 10 mile radius, there will be a small delivery fee).
- **FREE CURBSIDE PICK-UP** – Using the same number, give us a call or text, and let us know what you need. You don’t have to come into the store - we will deliver it out to your car.

Please be safe and take care of each other. If Victoria Pool Service & Supply can help with your pool and spa needs, just get in touch. Thank You
